PROFESSIONAL SUMMARY

Computer Science Engineering student with hands-on experience in developing web applications and academic projects. Skilled in Java, HTML, CSS, JavaScript, and GitHub, with strong problem-solving abilities and a keen interest in software development and emerging technologies.

EDUCATION

Chaibasa Engineering College | West Singhbhum

Aug 2024 - Jul 2028

B.Tech CSE

CGPA : 7.35

Data Structures & Algorithms(Java)

Object-Oriented Programming(Java)

Operating Systems

Computer Networks

Finalist in the **Idea Tribe Innovation Competition** at Jharkhand University of Technology, organized by Jharkhand University of Technology (JUT).

PROJECTS

Library Management System

Jan 2026 - Feb 2026

Developer

The **Library Management System** is a Java-based application designed to automate and simplify library operations. It enables librarians to efficiently manage books, members, and borrowing records while reducing manual paperwork.

Technologies / Tools Used : Java, MySQL, JDBC

Online Banking System

Oct 2025 - Nov 2025

Developer

The **Online Banking System** is a Java-based application that allows users to perform basic banking operations digitally through a secure interface. The system includes features such as user registration and login, account management, balance inquiry, fund transfer, transaction history, and deposit/withdrawal services.

Technologies / Tools Used : Java, MySQL, JDBC

SKILLS

Programming Languages : C, Java, Python, JavaScript

Frameworks & Libraries : React, Tailwind CSS

Tools & Platforms : Git, GitHub

Databases : PostgreSQL, MySQL, MongoDB

Soft Skills : Communication, Leadership, Teamwork, Problem Solving, Collaboration

Languages : English, Hindi
